

# This Is Why

Lil' Wayne

So I hear you're wonderin' why I left  
Think it's time I get this off my chest  
Couple things I wanted to address  
With you, with you  
No discussion when I tried my best  
Ain't no helpin' you, you a mess  
It's a wrap, yo, it ain't no test  
'Cause you, 'cause you

Always play the victim like it's an addiction  
Lyin' by omission, every word is twisted  
Never listen, venom in your system  
Master of division

Yeah, yeah  
This is why, this is why, this is why  
This is why you're on your own  
On your own, you're all alone  
This is why  
On your own, oh  
See, this is why, this is why, this is why  
This why you're on your own  
Why

Yeah, yeah, yeah, yeah, yeah  
Uh, this is why I'm on my own  
Jackass, played myself like Donkey Kong  
She don't condone it, playin' games though, she only grown  
I'ma rolling stone and she lookin' for a cornerstone  
I can't believe she really left me, like Weezy F me  
She supposed to block them other bitches out like Lisa Leslie  
Even when she bein' mean, she sexy  
She text me just to say she didn't mean to text me, it's stressing  
This is why I guess she keep me guessing  
Friends tell her I'm a dog but the teacher pet me  
So have some class, girl, 'cause you was Wayne's world  
Now you just some man's world, damn, girl

Yeah, yeah  
This is why, this is why, this is why  
This is why you're on your own  
On your own, you're all alone  
This is why  
On your own, oh  
See, this is why, this is why, this is why  
This is why you're on your own  
Why

Cause you make a promise in vain  
Then you blow it next day  
Anything you touch breaks, now you comin' my way  
Stay in your lane, I ain't making no space  
You gon' drive me insane

Yeah, yeah  
This is why, this is why, this is why  
This is why you're on your own

On your own, you're all alone  
This is why  
On your own, oh  
See, this is why, this is why, this is why  
This is why you're on your own  
Why

Now you wanna run around and drain my energy  
All that shit is catching up to you eventually  
Eventually, yeah  
Yeah, yeah  
Yeah  
Yeah, yeah, yeah
