

**YFS**

**Lil' Wayne**

Young, fresh and shameless, young, fresh and shameless  
About to body slam the beat, Love Wrestlemania  
Love miscellaneous, fuck instantaneous  
I'm busting nuts in her mouth, young macadamia  
Young, rich and famous, young rich and famous  
Young Money but the money so fuckin' ancient  
Buy wine, drink it, by God, amen  
Can't forget to thank him, young, fresh and shameless

Back to it, waste no time  
Black Uzi, Draco, 9  
Back smokin' bomb

Black Mamba, coke lines  
Snake eyes open wide  
Rap poison, you know why  
Hair trigger, no salon  
Can't lose, in overtime, hit Miami for LeBron  
Swam through whole Ocean Drive  
Smoke a stick, porcupine  
All these bitches want be mine  
Yeah she lit I blow her mind  
Look at how I make all these looking ass niggas roll they eyes  
Go retarded on them, Tunechi  
Openhearted on them, Tunechi  
I'm the father, I wear the pants, I'm talking Corduroy or blue jeans  
Smoking harder on a doobie, holy water running through me  
Polariods they tryna shoot me

Young niggas famous, my young niggas go in  
My OGs are no different, identical twins  
1-7 amen, that's my set, amen  
Can't forget to thank him  
Fuck these hoes, I blame them  
Young, fresh and shameless, young, fresh and shameless  
Bout to body slam your bitch  
Lord, Wrestlemania  
Young, rich and famous, young, rich and famous  
If you hating on me you can tongue kiss the anus  
Bigger picture painting, fine art framing  
Don't forget to hang it, fine wine drank it  
Turn a trap house to the wine house, Amy  
My God, amen  
Don't forget to thank him  
Don't try to play him, your whole squad be dead man  
We pull up in the AM, toast, waffles, bacon  
More fiyah blazin', the chopper sound Jamaican  
I stay armed like a cowboy  
Troy Aikman [?]

That's a Polo blanket, she under it naked  
I'm under influences, got me overthinking  
Got me syrup drinkin', popping Percs to painers  
Niggas talking about they gods, they just Kirk Franklins  
And my dreams are so big, feel like the Earth's shrinking  
I wake up and chase my dreams, catch 'em and contain 'em  
Still the best rapper alive, still the steel is stainless

I feel like the Yankees, but my hittas [?]

Young, fresh and shameless, young, fresh and shameless  
About to body slam your bitch  
Love Wrestlemania  
Love miscellaneous, we fuck instantaneous  
I'm busting nuts in her mouth, young macadamia  
Young, rich and famous, young rich and famous  
Young Money but the money so fuckin' ancient  
Buy wine, drink it, by God, amen  
Can't forget to thank him, young, fresh and shameless

Young, fresh and shameless  
(Hold up)  
Got me syrup drinkin', popping Percs to painers  
Niggas talking about they gods, they just Kirk Franklins  
Oh
