

Go Crazy

Lil Xan

Go crazy
Go crazy
Go crazy

Baby please don't hate me
I'm leaving I'm never looking back
The love you fuckin gave me
I'm suffocating please take it back

That fake shit fuck LA shit
I was on trash with a couple of bros
I was hoppin out the AMG Benz with hoes
I was hoppin out the trunk like I sold my soul

Moscow mule with the teeth full of gold
Just left the crib on the way to the show
VIP with a couple of hoes
Don't text me till I'm done getting throat
Don't text me till I'm done getting throat
Don't text me till I'm done getting throat
That's my Malish that's my baby
Yeah yeah she crazy

Hell yeah left right go crazy
That girl with the ass go crazy
Yeah hit it from the back go crazy
Go crazy
Go crazy
Watch her do it with no hands
Go crazy
I'm the man in this bitch go crazy
Go ham in is bitch go crazy
Lil Xan in this bitch go crazy

Go crazy
Go crazy
Go crazy
Go crazy

Eenie Meenie Miney Moe
Fucked a couple Russian hoes
If she wack I let her go
Catch a new bitch for the road
Lil Xan and centerfold
Perfect student on a roll
I make hits I'm on a roll
Yeah I'm on a roll

Hope this song will make it big
I just need another cig
New show every city
Blessed
Sold out shows across the globe
Ay
How much soul is selling worth
I copped a new cramping up my worth
Been working crazy

I know you hate me but hey
I've been going crazy like

Hell yeah left right go crazy
That girl with the ass go crazy
Yeah hit it from the back go crazy

Go crazy
Go crazy

Watch her do it with no hands
Go crazy
I'm the man in this bitch
Go ham in is bitch go crazy
Lil Xan in this bitch go crazy

Go Crazy
Go Crazy
Go Crazy
Go Crazy
Go Crazy
Go Crazy
