

Sunshine

Lil Xan

S-s-s-s-sunshine (yeah)
Brighten everything baby, you know [?] with me
S-s-s-s-sunshine (yeah)
Baby, you my everything, seems [?] like I'm saying things
S-s-s-s-sunshine (yeah)
Please don't let me slip away, we should just go far away
S-s-s-s-sunshine (yeah)
Please don't let me slip away, we should just go far away

[?] getting paid (yeah yeah yeah yeah)
Getting laid on these summer days
Needle drop, we gon hear the bass
God lines gonna keep me straight (woah woah, yeah)
God lines gonna keep me straight (woah woah, yeah)
Woah woah, yeah
Like don't do that, yeah, ayy
Keep crying for days, I'm in November
You can read me all day, left on read, I think I made a mistake
, yeah
Left on read, I think I made a mistake (woah woah, yeah)
Left on read, I think I made a mistake (woah woah, yeah)

S-s-s-s-sunshine (yeah)
Brighten everything baby, you know [?] with me
S-s-s-s-sunshine (yeah)
Baby, you my everything, seems [?] like I'm saying things
S-s-s-s-sunshine (yeah)
Please don't let me slip away, we should just go far away
S-s-s-s-sunshine (yeah)
Please don't let me slip away, we should just go far away

I thought I knew you, yeah
I thought I knew you, yeah
I thought I knew you, I thought I knew you
I thought I knew you, I thought I knew you
I thought I knew you, I thought I knew you
I thought I knew you, you, you, yeah
I guess this is where I say I'm out the motherfucking booth
Bitch! Yeah...
