

## Used To

Lil Xan

Yeah (Yeah)  
I know you think about me, girl  
Damn  
I know you think about me, girl (Yeah)  
Yeah, ayy, yeah, ha

I know you think about me, girl  
I miss the love I shared for you  
I think I wanna marry you  
No lie, no cap, I'm into you  
She said "You'll never feel my pain"  
Stop swerving, crash into my lane  
I finally found a girl I like  
I finally, yeah (yeah)

I finally found a girl I like  
We smoke, we drinking through the night  
I always miss the summer time  
When we look into the sky, yeah  
Don't know how to say  
Your drugs got me jaded  
She a slut, she take dick  
It's vroom-vroom in my spaceship, yeah  
It's vroom-vroom in my spaceship

Don't know how to say, don't know how to say  
Don't feel love like we used to  
What the fuck does it mean? Yeah, I'm used to  
All the drugs that I take, man, I'm used to  
Yeah, yeah  
Swear to God I'm so tired  
Swear to God I'm so tired, yeah  
Swear to...

Don't know how to say it  
Don't know how to say it  
Don't know how to say it, yeah  
Don't know how to say it

The weather changes like my mood, yeah  
The stars in the sky, they stay blue, yeah  
What it do?  
The roses in my garden remind me of you  
It's so hard to see your face in public places  
I don't know what the fuck to do with myself  
I need help, yeah  
Baby, I miss you  
Baby, I...

Don't know how to say, don't know how to say  
Don't feel love like we used to  
What the fuck does it mean? Yeah, I'm used to  
All the drugs that I take, man, I'm used to  
Yeah, yeah  
Swear to God I'm so tired  
Swear to God I'm so tired, yeah  
Swear to, ayy
