

Watch Me Fall

Lil Xan

Yeah, ayy

Don't watch me fall
Don't watch me fall down, yeah ayy
Don't watch me fall down, yeah ayy, yeah
Don't watch me fall down, yeah
Don't watch me fall down, yeah ayy
Don't watch me fall down

You left me broken
Left on the side
I don't understand anything but time
And if you run away
I swear to God I'll chase you, girl
You know me and how I be
I'm ready for war
I'm ready for war
I'm ready for war
I'm ready for war
I'm ready for war

Don't watch me fall down, yeah ayy
Don't watch me fall down
You left me broken
Left on the side
I don't understand anything but time

Don't watch me fall down, yeah ayy
Don't watch me fall down, yeah
Don't watch me fall down

Don't watch me fall down
Don't let me fall down
Don't watch me fall down
Don't let me fall down
Don't watch me fall down
Don't let me fall down
Don't watch me fall down

(We couldn't sleep at night
Don't know if I'm dead
We couldn't sleep at night
Don't know if I'm dead)
