Weekend

Lil Xan

Rolled like, oh shit a blunt
Yo I wanna hit that, okay
Y'all got weed roll that shit
Yeah, ayy, ayy, yeah

I do drugs on the weekend
Weekdays I'm normally sleeping
The drugs got me all tweaking
Airplane mode, always overseas yeah
I do drugs on the weekend
Weekdays I'm normally sleeping
The drugs got me all tweaking
Airplane mode, always overseas yeah

I think I fell [?] LA
[?] all these girls are fake
I pop pills, take the pain away
But the pain won't go away, go away
These demons on me, yeah
In my dreams I keep running
These demons on me, yeah
In my dreams I keep running

I do drugs on the weekend
Weekdays I'm normally sleeping
The drugs got me all tweaking
Airplane mode, always overseas yeah
I do drugs on the weekend
Weekdays I'm normally sleeping
The drugs got me all tweaking
Airplane mode, always overseas yeah

Ayy
Xanarchy
Airplane mode, always overseas yeah
