Lil Xan

Kinfolk Jon
Yeah, yeah, yeah

Brand new crib-o (yeah)
Real, real, real big crib-o
Said that I won't but I Will, like Smith
I smoke trees like Willow
Some of my guys make beats
Some of my guys make widows
But all of my guys getting money
You say you get money, we lookin' like ditto

Versace, Versace, Versace my linen
Versace my pillows
Got one from the state
Got one from Romania
Somehow I'm stuck in the middle
I just hit her once, she know what I want
These bands make her bounce like a dribble
I'm focused on next, I'm worried 'bout checks
But she wanna talk about kiddos (kiddos, kiddos, kiddos)
Big dogs inside [?] like scoop (scoop)
You want the truth?
My cop a range and I might cop a coupe
Off with the roof (with the roof)
Feeling like Bishop because I got the juice
We do not choose
Xanarchy gang and Xanarchy troops (xanarchy troops)

Brand new crib-o (yeah)
Real, real, real big crib-o
Said that I won't but I Will like Smith
I smoke trees like Willow
Some of my guys make beats (yeah)
Some of my guys make widows (yeah)
But all of my guys getting money
