

Wrong Way

Lil Xan

Let's go, Tayo
Kinfolk, yah
Keo
Yeah (Kinfolk Jon)

Long way, long way, bitch, I came a long way
Wrong way, wrong way, bitch, you with the wrong way
Long way, long way, bitch, I came a long way
Wrong way, wrong way, bitch, you with the wrong way

Only push the Benzo, scratch the rimps, I had a long day
Now they only hit me 'cause my diamonds crossing on me late
Welcome with the bitches, I be like Beyoncé
Everytime I get a check I spend on Balmain

Balmain, Balmain, bitch, we came a long way
Balmain, Balmain, bitch, we came a long way
Balmain, Balmain, bitch, we came a long way
Balmain, Balmain, bitch, we came a long way

Long way, long way, bitch, I came a long way
Wrong way, wrong way, bitch, you with the wrong way
Long way, long way, bitch, I came a long way
Wrong way, wrong way, bitch, you with the wrong way

Hoppin' out the Benz inside a new Range Rover
Xanarchy Militia, I'm the heartbreak soldier
Xanarchy Militia, we the new take over
Bitches sucking dick cause they see x's on the wrist, yeah
Bitches sucking dick 'cause my diamonds look like piss, yeah
Thirty for a walkthrough, I don't even gotta see, yeah
She just sucked my dick, I made a mess inside her lip, yeah
I don't got no keys, I'm sorry, you just gotta dip, yeah

Long way, long way, bitch, I came a long way
Wrong way, wrong way, bitch, you with the wrong way
Long way, long way, bitch, I came a long way
Wrong way, wrong way, bitch, you with the wrong way

(Keo)
Wrong way, wrong way, my homies don't play
Gon' play, gon' play, fo'fo in the home day (Pew-pew-pew)
All day, all day, 'tamo' haciendo money
Todo el día abierto, to'a la noche, all the morning
I don't give a fuck about a opp, I'm getting rich (Ah)
Ellas 'tán mordi'as, tell the bitch to suck a dick
All I know is guap', I'ma put it on repeat (Ajá)
Bitch, I'm riding dirty like I'm playing Need for Speed
You can't hang with the gang, I got no hunnids in the bank
I pull up with the fence, she gon' suck me 'til the end (Ajá)
Está mal, está bien, qué más da si paga al cien (Ah)
Yo soy yo, tú ere' fake, entonces' dime, ¿quién es quién?, ah

Long way, long way, bitch, I came a long way
Wrong way, wrong way, bitch, you with the wrong way
Long way, long way, bitch, I came a long way
Wrong way, wrong way, bitch, you with the wrong way

Welcome with the bitches, I be like Beyoncé
Everytime I get a check I spend on Balmain
Hoppin' out the Benz inside a new Range Rover
