

Ungrateful Family

Lil Zay Osama

You know
I done got involved, I can be there, for real, you know
Keep on askin', bein' so ungrateful
You can give and give a hundred times (Who is Wonderyo?)
[?], man, that's the problem
It's like I can't deal with this shit, man
You know, you gon' be real or you gon' be fake
And that's one thing I ain't never been is fake
I done did shit for all my people

My ungrateful family, uh
I heard you rich, yeah, tell my people I'm branded (I'm branded
)
Even on my birthday, they show up empty handed (Even on my birt
hday)
Even on my worst days, I be feelin' abandoned (Even on my worst
days)
I don't be sayin' shit, I try to do the best I can
My girl sayin', "You tired?" I'm like, "Yes, I am"
"You gon' buy your mama a house?" I'm like, "Yes, I am" (Yes, I
am)
Uh, uh, uh (I am)

Only time I get a call is when somebody want some money
Every year for my birthday, my family bought me nothin'
My family be so fake, they only like me 'cause of my mama
I was one of the bad kids, who'd thought I'd be out road runnin'
'?
Show after show, store after store
You could had hate me or you could love me, I know you hear me
on your radio
I can give a hundred times, I don't give once, they call me pet
ty, though
When it's gon' be my turn? Let me see, somebody let me know
Show your appreciation, I'm too dedicated
Whether you be here or not, I keep elevatin'
All this fake ass love causin' segregation (Yeah, yeah)
I guess that one shit make me forever feel real, though

My ungrateful family, uh
I heard you rich, yeah, tell my people I'm branded (I'm branded
)
Even on my birthday, they show up empty handed (Even on my birt
hday)
Even on my worst days, I be feelin' abandoned (Even on my worst
days)
I don't be sayin' shit, I try to do the best I can
My girl sayin', "You tired?" I'm like, "Yes, I am" (Yes, I am)

"You gon' buy your mama a house?" I'm like, "Yes, I am" (Yes, I am)

Uh, uh, uh (I am)
