Lila Iké

Thy will  
Thy will will always be done  
Don't they know?  
Thy will will always be done

Say pon this journey where Jah put me  
Whole heap a things me witness  
Negative thoughts and impure heart a plague we like a sickness  
Now the youth dem have a hit list  
Pon every stall and most business  
Helicopters a circle 'round the area like a frisbee  
Unsolved mystery, mother can't find pickney  
Message in the music is the only way fi fix it  
I say word, sound, power  
Lift your hand up if yuh with me  
Nah go make them trick we 'cause we nah repeat the history

I say woiii  
Weh dem ago do when Jah come?  
Don't they know?  
Thy will will always be done  
My people rise  
'Member now we black and we strong  
And when we're one  
This is when we'll overcome (Yuh sih?)

The system is fi business  
Trick we, kill we, diss we  
Build we when dem wan' we vote fi winnings  
Then them end up missing  
See how people slipping?  
Yuh no see we need a fixing  
Now she never end up listen  
Tell me, are you even listening?  
The truth is hidden  
The truth is how yuh wash we brain and turn we inna victim  
And I can't believe this (Yeah)  
Now dem cyan retrieve it  
Lord believe me  
Help me Jesus  
Look and see how we really feeling (Yuh sih? Yuh sih?)  
Weed haffi bun up, nuh pree me weed  
EastSyde love di people need  
Really me believe  
People keem yuh see it  
Unuh who a fumble need fi leave  
Babylon tumble weakened knees  
When di secret leak, and di system freeze  
And di nation rumble evilly  
And me say EastSyde, so me look to di East  
A lucky thing me grow rough (A lucky thing me grow rough)  
A lucky thing we grow rough (A lucky thing me grow rough)  
Lucky thing me grow rough (Ohh, ooo, ohh)  
A lucky thing we grow rough

And I say woiii  
Weh dem ago do when Jah come?

Don't they know?  
Thy will will always be done  
My people rise  
'Member now we black and we strong  
And when we're one  
This is when we'll overcome (Yuh sih?)

I say, don't they know?  
Thy will will always be done  
Oh, oh, oh will always be done  
Don't they know?  
Don't they know?  
Weh dem ago do when Jah come? No  
Weh dem ago do when Jah come?  
When Jah come, when Jah come, when Jah come, when Jah come?
