

7 Days

Lillix

7 days will make
You feel alright
Not coming home tonight
'Cause I've got nobody else
Feeling the same for me (2x)

Down to make a choice
In a Rolls Royce
Howlin' it up
In a castle at the Platzl
Got my lungs
All filled with clouds
Watching eyes pass
Midnight
Open 'til three
With a lip ring
In between
Caught in the symmetry

What's gotten into me?
'Cause this feeling
Your meaning
It's keeping me
Far from home
With every word
You say
I'm here believing
Not leaving
Tell me that
You'll never go

7 days will make
You feel alright
Not coming home tonight
'Cause I've got nobody else
Feeling the same for me (2x)

Buzzin' G.P.K.
On the first day
Heartbeats for free
D.T.P. only 19
With "World of Warcraft"
On the screen
Take it slow
So she doesn't know
Your summer fling
As the ex
Sends 40 texts
Forgives what used to be

Fall for the psycho scene
A teen no doubt it
About it
Don't tell me you know
What I mean

7 days will make

You feel alright
Not coming home tonight
'Cause I've got nobody else
Feeling the same for me (2x)

I don't know
What you've taken me for
And it seems like it's
A repeat of a
Familiar door
But soon you'll see
What you are missing
Stuck inside your brain
Can't take those
Days away

I don't really know
What to do
(Soon you'll see
What you are missing)
And I don't really
Know what to say

Three days go by
Without a word or
A "Hey!"
(Stuck inside
Your brain
Can't take
Those days away)

Can't help but
Assume that it's
Something I said

Next day I look around
And investigate
(Can't take those
Days away
Can't take those
Days away)
You're back with me
Girl that you told me
You hate

But I guess you
Get along
(Can't take those
Days away
Can't take those
Days away)
And you're from the
Same town

No choice to move on
(Can't take those
Days away
Can't take those
Days away)
...At least I've got
A new song!
(AW)

7 days will make
You feel alright
Not coming home tonight
'Cause I've got nobody else
Feeling the same for me (4x)
