

It's About Time

Lillix

Ami **F** **C** **G**

It's about life,

Ami **F** **C** **G**

it's about fun

C **G**

I hate you, I love you

Ami **F** **C**

I just can't remember to forget you

G **A**mi

Who are you, who needs you?

F **C** **G** **A**mi

You make me feel alive, I die, so high

F **C**

I'm crawling on the ground

G **A**mi **F**

I have found I can fly

F

One of these days it all comes together

G

One of those days that goes on forever

F

Think I sound crazy? Maybe, whatever

G

What's it all about?

Ami **F**

It's about life, it's about fun

C **G**

It's over before it has begun

Ami **F**

It's about you, it's about me

C **G**

It's about everything between , and I say

Ami **F** **C** **G**

I'm saying goodbye to you, I say hi to you with no clue

Ami **G** **F**

It's about time that I

G **C** **G** **A**mi **F**

Make up my mind

It's simple, confusing, the truth is

I'm winning but I'm losing

And pulling and pushing,

won't do me any good

It could, it should I'm honest to myself that

the truth is I lied

One of these days it all comes together

One of those days that goes on forever

Think I sound crazy? Maybe, whatever

What's it all about?

It's about life, it's about fun

It's over before it has begun

It's about you, it's about me

It's about everything between, and I say
I'm saying goodbye to you, I say hi to you with no clue
It's about time that I
Make up my mind

C Em B

Time is creeping behind me, surrounding around me

F

Fading the words so desperately

C Emi

B

Now give me a reason that I can believe in

F

Time is something you can't rewind

One of these days it all comes together

One of those days that goes on forever

Think I sound crazy? Maybe, whatever

What's it all about?

It's about life, it's about fun

It's over before it has begun

It's about you, it's about me

It's about everything between and I say

I'm saying goodbye to you, I say hi to you with no clue

It's about time that I

Make up my mind
