- E** **Emi** **A G**  
1. yesterday, seemed so much longer than today  
**Emi** **A G**  
there must be something wrong with me  
**Emi** **Ami D**  
I think im losing it, oh no  
**A G**  
I must be stupid
- Emi G**  
Now im here, yes im here  
**A**  
Cause I tried  
**Emi G**  
If you're here then you're here  
**A**  
for a while
- E C A**  
R: I cant reach the sky  
**G A**  
Without being dragged down  
**E C A**  
I cant run forever while  
**G A**  
I try to hold on  
**Emi A**  
But if you'll be there when I drown  
**C Ami**  
I don't want to hold your hand  
**E C A**  
Its quicker than quicksand  
**G Emi**  
And you just wont make it
2. Nonetheless, I think I've seen a brighter side  
I've trusted no one deep outside  
Is what they call the rest of them  
They just don't get it
- Emi G**  
But were there, yes were there  
**A**  
For a trial  
**Emi G**  
And youre there yes youre there  
**A**  
For a while
- R:
- G Emi**  
I've seen so many try to get there way  
**G D**  
I'm sure its really not that bad (2x)
