

Why Can't I Breathe

Lillix

Get a load of me get load of you
Walking down the street and I hardly know you (and i hardly know you)
It's just like we were meant to be
Holding hands with you and were out at night
Got a girlfriend you say it isn't right
And I've got someone waiting too

What it is is just the beginning
We're already wet and we're gonna go swimming

Why can't I breathe whenever I think about you
Why can't I speak whenever I talk about you
It's inevitable it's the fact that we're get down to it so tell me
Why can't I breathe whenever I think about you

Isn't this the best part of breaking up
Finding someone else you can't get enough of
Someone who wants to be with you too
It's an itch we know we are gonna scratch
Gonna take a while for this egg to hatch
But wouldn't it be beautiful

Here we are we're at the beginning
We haven't fucked yet but my head's spinning

Why can't I breathe whenever I think about you
Why can't I speak whenever I talk about you
It's inevitable it's the fact that we're get down to it so tell me
Why can't I breathe whenever I think about you

High enough for you to make me wonder ,where it's going
High enough for you to pull me under ,something's growing
Out of this that we can't control, baby I am dying

Why can't I breathe whenever I think about you
Why can't I speak whenever I talk about you

Why can't I breathe whenever I think about you
Why can't I speak whenever I talk about you
It's inevitable it's the fact that we're get down to it so tell me
Why can't I breathe whenever I think about you
