

Madeline

Lily Allen

I know none of this is your fault
Messaging you feels kind of assault-ive
Saw your texts, that's how I found out
Tell me the truth and his motives

I can't trust anything that
Comes out of his mouth
No, I can't trust anything that
Comes out of his mouth

How long has it been going on?
Is it just sex or is there emotion?
He told me it would stay in hotel rooms
Never be out in the open

Why would I trust anything that
Comes out of his mouth?
Oh, why would I trust anything that
Comes out of his mouth?

We had an arrangement
Be discreet and don't be blatant
There had to be payment
It had to be with strangers
But you're not a stranger, Madeline

"Hey, he is telling you the truth
Madeline
Our relationship has only ever been about sex
I can promise you that this is not an emotional connection
Madeline
We don't speak outside the time we spend together
Madeline
And whenever he talks about you, it's with the utmost respect."

You tell me he's telling the truth
Is that the case?
Or a line that he fed you?
Wanna believe you, but is it a ruse?
Lie to me, babe, and I'll end you

I can't trust anything that comes out of your mouth
I'm not convinced that he didn't fuck you in our house

Do you two ever talk about me?
Has he told you that he doesn't love me?
I bet he tells you, tells you he loves you
I've gotten old, gotten ugly

I wouldn't trust anything that comes out of his mouth
Now why would you trust anything that comes out of his mouth?

We had an arrangement
Be discreet and don't be blatant
There had to be payment
It had to be with strangers
But you're not a stranger, Madeline

Madeline

Madeline

Madeline

But you're not a stranger, Madeline

"I hate that you're in so much pain right now

I really don't want to be the cause of any upset

He told me you were aware this was going on

And that he had your full consent

If he's lying about that, then please let me know

Because I have my own feelings about dishonesty

Lies are not something that I want to get caught up in

You can reach out to me any time, by the way

If you need any more details or you just need to vent or anything

Love and light, Madeline."
