

# Ruminating

Lily Allen

I'm giving up on getting sleep tonight  
It's 4 AM, and I'm in fight-or-flight  
Ruminating, ruminating, ruminating, ruminating

And I can't shake the image of her naked  
On top of you, and I'm disassociated  
Ruminating, ruminating, ruminating, ruminating

And I'm not hateful, but you make me hate her  
She gets to sleep next to my medicator  
You're mine, mine, mine, mine  
You're mine, mine, mine, mine  
You're mine, mine, mine, mine  
You're mine, mine, mine

And now I'm ruminating, ruminating  
Now I'm in my head  
Ruminating, ruminating  
All the things you said

Why can't you wait for me to come home?  
This conversation's too big for a phone call

Ruminating, ruminating  
I've been up all night  
Did you kiss her on the lips and look into her eyes?  
Did you have fun?  
Now that it's done  
Baby, won't you tell me that I'm still your number one?  
'Cause you're my number one

I told you, all of this has been too brutal  
You told me that you felt the same, it's mutual  
And then you came out with this line so crucial  
Yeah, "If it has to happen, baby, do you want to know?"  
If it has to happen, baby, do you want to know?  
If it has to happen, baby, do you want to know?  
I don't know  
I don't know  
I don't know  
I don't know  
But what a line, line, line  
What a fucking line, line, line  
What a fucking line, line, line  
What a fucking line, line, line  
What a fucking line, line, line  
What a fucking line  
What a fucking line

Ruminating, ruminating  
Now I'm in my head  
Ruminating, ruminating  
All the things you said

Why can't you wait for me to come home?  
This conversation's too big for a phone call

Ruminating, ruminating  
I've been up all night  
Did you kiss her on the lips and look into her eyes?  
Did you have fun?  
Now that it's done  
Baby, will you tell me that I'm still your number one?  
'Cause you're my number one

Ruminating, ruminating  
Now I'm in my head  
Ruminating, ruminating  
All the things you said

Why can't you wait for me to come home?  
This conversation's too big for a phone call

Ruminating, ruminating  
I've been up all night  
Did you kiss her on the lips, and look into her eyes?  
Did you have fun?  
Now that it's done  
Baby, will you tell me I'm still your number one?
