It's five o'clock in the morning Conversation got boring You said you were going to bed soon So I snuck off to your bedroom

And I thought I'd just wait there
Until I heard you come up the stairs
And I pretended that I was sleeping
And I was hoping you would creep in with me

Put your arm around my shoulder And it was if the room got colder And we moved closer in together And started talking about the weather

You said tomorrow would be fun And we could watch a place in the sun I didn't know where this was going When you kissed me

Are you mine? Are you mine?
'Cause I stay here all the time
Watching telly, drinking wine

Who'd have known? Who'd have known?
When you flash up on my phone
I no longer feel alone, no longer feel alone

I haven't left you for days now
And I'm becoming amazed how
You're quite affectionate in public
In fact your friend said it made her feel sick

And even though it's moving forward There's just the right amount of awkward And today you accidentally called me baby

Are you mine? Are you mine?
'Cause I stay here all the time
Watching telly, drinking wine

Who'd have known? Who'd have known? When you flash up on my phone I no longer feel alone

Let's just stay, let's just stay I wanna lie in bed all day We'll be laughing all the way

You told your friends, they all know We exist but we're taking it slow Let's just see how it goes
Let's see how it goes

Are you mine? Are you mine?
'Cause I stay here all the time
Watching telly, drinking wine

Who'd have known? Who'd have known? When you flash up on my phone I no longer feel alone

Let's just stay, let's just stay I wanna lie in bed all day We'll be laughing all the way

You told your friends, they all know We exist but we're taking it slow Now let's just see how it goes Let's see how it goes
