

## If I Could Only Fly

Lily Kershaw

I almost felt you touching me just now  
I wish I knew which way to turn and go  
I feel so good, and then I feel so bad  
I wonder what I ought to do

If I could only fly, if I could only fly  
I'd bid this place goodbye to come and be with you  
But I can hardly stand, I got nowhere to run  
Another sinking sun, another lonely night

The wind keeps blowing somewhere everyday  
Tell me things get better, somewhere up the way  
Just dismal thinking on a dismal day  
Sad songs for us to bear

You know sometimes I write happy songs  
But then sometimes little things went wrong  
You know I wish they all could make you smile  
Tomorrow maybe we can get away  
I'm coming home soon and I wanna stay  
I wish you could come with me when I go again

If I could only fly, if I could only fly  
I'd bid this place goodbye to come and be with you  
But I can hardly stand, I got nowhere to run  
Another sinking sun, one more lonely night

If I could only fly  
If you could only fly  
If we could only fly  
There'd be no more lonely nights
