

## Home (Is Where the Van Is)

Limbeck

I woke up Down to Minneapolis

Showed up to the triple rock at 4 oclock

It's not the first time I've seen this city

It's the first time,

it's looked so pretty

Well the rain came Soaked up the desert.

We stayed out forever

It's not the first time I've seen your city

It's the first time,

it's looked so pretty

It's the first time,

it's looked so pretty YEAH

But every day you wake up and you looking for the door

It's funny how you some days you see things you've

never seen before

On the road on your home away from home

Oh you thought you'd never end up there

No

So you wound up Southern California

Up late out on the porch

It's not the first time

I've seen your city

It's the first time,

it's looked so pretty

It's the first time,

it's looked so pretty

YEAH uh huh
