

To Hell with Having Fun

Limbeck

I'm sitting in the best place that I should
and the cars that pass are the loudest cars that could.
Well, the earth blocked the sun
like they said it would.
The people walkin' by aren't lookin' too good.

And I tried it once.
To hell with havin' fun.
To hell with havin' fun.

The bike I ride not's the best bike I could.
I mean the wheels spin, but they don't turn so good.
And I'm not getting sleep as I should.
We're not leavin' when we said we would.

But we tried it once.
To hell with havin' fun.
To hell with havin' fun.

Hey you, stumblin' by, two o'clock at night don't look
too right.
Well, I have been in your state of mind
a couple of times and it's alright.

And I tried it once.
To hell with havin' fun.
To hell with havin' fun.

Heaven help me, I can't have no fun.
Heaven help me, I can't have no fun.
Oh, heaven help me, I can't have no fun.
