

Dirt Cheap

Lime Cordiale

Drive down the wrong street on the right day
I don't have cold feet but it's hard to read you babe
Are we turning left and are we feeling right
Can we take the next step too many red lights

Was it too rude to just allude
Picture us nude on Sunday afternoons
Was it too rude to just allude
Scrabble in my room

Oh, I love you whole
You're like gold to me
My love is dirt cheap
And you had me sold

I love you whole
You're like gold to me
My love is dirt cheap
And you had me sold

I love you whole
You're like gold to me
My love is dirt cheap
And you had me sold

I love you whole
You're like gold to me
My love is dirt cheap
And you had me sold

With you I feel the difference when you're here or away
You wanna roll a spliff but it's the middle of the day
And is there a time limit on how long I get to keep ya
Oh I know I'm a beast but you're the perfect creature

Was it too rude to just allude
Picture us nude on Sunday afternoons
Is it too rude just picture us nude
Happy with a view

Oh, I love you whole
You're like gold to me
My love is dirt cheap
And you had me sold

I love you whole
You're like gold to me
My love is dirt cheap
And you had me sold

I love you whole
You're like gold to me
My love is dirt cheap
And you had me sold

I love you whole
You're like gold to me

My love is dirt cheap
And you had me sold

My love's dirt cheap
My love's dirt cheap
My love, my love
My love's dirt cheap

My love's dirt cheap
My love's dirt cheap
My love, my love
My love's dirt cheap

My love's dirt cheap (The cheaper the love)
My love's dirt cheap
My love, my love (The sweeter the love)
My love's dirt cheap

My love's dirt cheap (The cheaper the love)
My love's dirt cheap
My love, my love (The sweeter the love)
My love's dirt cheap

My love's dirt cheap (The cheaper the love)
My love's dirt cheap
My love, my love (The sweeter the love)
My love's dirt cheap

My love's dirt cheap (The cheaper the love)
My love's dirt cheap
My love, my love (The sweeter the love)
My love's dirt...
