## Lime Cordiale

On them cloudy Monday morns  
On them cold lazy days  
Do you feel me?  
Is there really

All this vacant emptiness  
Over your side of the bed?  
Do you miss it, reminisce it?

You were always there for me  
You were always there for me  
(Always there for me)  
Oh, now it's time to set you free  
Now it's time to set you free  
(Time to set us free)

All your shit was gone  
Before my ass was home  
(Before his ass was home)  
Then I read your post-it note  
"You're better off left alone"  
(You're better off left alone)

Girl, ditto  
(Better off left alone)  
Yeah  
Ditto, girl  
(Read it on a post-it note)  
(Damn girl)  
We're ditto'd  
(That's cold)

You broke my heart, broke ties  
No warning Miss  
Just a message on the fridge like a shopping list  
I can't handle that  
You just canceled man  
You coulda put it in a letter, lipstick kiss  
But if you told it to my face  
I'd agree with it  
It's a cold world  
But you're a cold girl

You were always there for me  
You were always there for me  
(Always there for me)  
And now it's time to set you free  
Said it's time to set you free  
(Time to set us free)

All your shit was gone  
Before my ass was home  
(Before his ass was home)  
Then I read your post-it note  
"You're better off left alone"  
(You're better off left alone)

Girl, ditto  
(Better off left alone)  
I feel the same as you girl  
Ditto, girl  
(Read it on a post-it note) Oh yeah  
(Damn, girl)  
I feel the same  
I feel ditto, yeah  
I feel the same  
(Better off left alone)  
You need to know  
I need it  
We need it  
Yeah, girl, like ditto yeah  
I know (Read it on a post-it note)  
(Damn, girl)  
I read it on a post-it note  
(That's cold)
