

# Robbery

Lime Cordiale

Another weekend, a new story  
I found a diamond in the darkest mine  
We started speaking, smooth talking  
Tip toe over the border line

She left her lipstick on my cheek  
I turned around, she vanished in a blink  
She haunted me and I can barely sleep  
I'm looking for...  
Wait that's her, stop that girl

Hey, there's been a robbery  
She stole my heart and then took off on me  
I said hey, there's been a robbery  
She stole my heart, she had enough of me  
Everywhere I go, everywhere I go  
I put up wanted signs  
I said hey, there's been a robbery  
I guess I'll never, I'll never know  
Who you are

I've got a fever, cold sweating  
It's hard to make it through the day to day  
Empty handed, right where you left me  
Ciggies filling up the ashtray

Still got her lipstick on my cheek  
I turned around, she vanished in a blink  
She haunted me and I can barely sleep  
I'm looking for...  
Wait that's her stop that girl

Hey, there's been a robbery  
She stole my heart and then took off on me  
I said hey, there's been a robbery  
She stole my heart, she had enough of me  
Everywhere I go, everywhere I go  
I put up wanted signs  
I said hey, there's been a robbery  
I guess I'll never, yeah I'll never know  
Who you are

She left her lipstick on my cheek  
She vanished in a blink  
And I can barely sleep  
Still got her lipstick on my cheek  
I turned around  
She vanished in a blink  
She haunted me  
And I can barely sleep  
Wait that's her, stop that girl

Hey, there's been a robbery  
She stole my heart and then took off on me  
I said hey, there's been a robbery  
She stole my heart, she had enough of me  
Everywhere I go, everywhere I go

I put up wanted signs  
Hey, there's been a robbery  
I guess I'll never, yeah I'll never know

(Who you are...)  
Yeah, I'll never know  
(Who you are...)  
Yeah, I'll never know  
(Who you are...)  
Yeah, I'll never know  
(Who you are...)  
Yeah, I'll never know
