

Make me  
Chase it  
I'm not going away  
I'm not going away  
Ohh  
Baby I'm losing control  
I'm starting to fold

You think that I'm no good  
Feeling misunderstood  
Want you for me only  
These nights could get lonely  
I'll lighten up your mood  
The way he never could  
Don't make me walk away

I'll make you feel ok  
I like the way you say it  
Can't wait another day  
I'll take the pain away

Are we focused on the same thing now?  
Would you ask me if I feel the same?  
You ain't no saint  
Don't try to play now  
You only care if I'm moving on  
Yeah

You split my heart into two, don't make it harder  
I know the games that you play, I got my guard up  
Can't get you out of my mind when I'm around you  
I let you do it again

I'll make you feel ok  
I like the way you say it  
Can't wait another day  
I'll take the pain away

I'll make you feel ok  
I like the way you say it  
Can't wait another day  
I'll take the pain away
