

Boss

Limi

Put your diamonds in my hands and make 'em shine
I'm on a fast fast ride, yeah, I'm on the line
I'm running games around the world and I'm trying to win
Got a lot of cards in my hands, yeah, I'm going in
I'm over the top, sneaky as a cat
If you need a bad girl, you know where I'd be at
I'ma take everything you have
'Cause I don't give a damn
I wanna see it, see it, fast, fast, reckless

I'll put your life here in my pocket
Take your dreams and make 'em true'
I'll put your name to shine above it
While you're riding with your crew
If you think that you can rock it
Just relax I got a plan
I know everything about it
Just put your diamonds in my hands
Just put your diamonds in my hands
Just put your diamonds in my hands

I wanna make you the best in the whole planet
And everything that you got, we gotta sell it
Tell me the time and cost, that's what I love the most
'Cause I'm a boss, yeah, I'm a boss, boss
The fastest car in the world, you wanna ride it
We shut it down with a million bucks around it
And everything that you got, make sure you got it
'Cause I'm a boss, yeah, I'm a boss, boss

I'll put your life here in my pocket
Take your dreams and make 'em true'
I'll put your name to shine above it
While you're riding with your crew
If you think that you can rock it
Just relax I got a plan
I know everything about it
Just put your diamonds in my hands
Just put your diamonds in my hands
Just put your diamonds in my hands

I got your life here in my hands
And everything you ever wanted
Just watch your back, watch your back
They wanna stab you
Every step is important
And it's funny what you do for them
To make you a superstar
And you're on the track
But who got your back
At the end of the day?

Just put your diamonds in my hands
Just put your diamonds in my hands
Just put your diamonds in my hands
