Limi

Dark nights, we got the city lights
We ain't got no time to waste
They all lie in old visions

And I try, but I don't wanna be
One of those who hate
To wake up in the morning
Wake up in the morning
Oh-oh

I don't want no ordinary shit
To always feel something missing
I don't wanna be one more face
Lost in the crowd
With nobody to listen, nah

The one to never get right
One to never get right
Cause my dreams have no limits
Used to feeling so different
Ain't no building too high
For ambitions of a heart set on fire

I make it difficult
But I'd do it all again

On the vision
I can't ignore it
Cause I try
But I don't wanna be
One of those who hate
To wake up in the morning
Wake up in the morning
Oh-oh

I don't wanna live an ordinary life
I don't want no ordinary shit
