

## A Lesson Learned

Limp Bizkit

This pain, this pain  
In my stomach, won't go away  
I assume, this is punishment  
From all the mistakes, I've made

In a world, where my actions speak louder than words  
In a world, where my actions speak louder than words

I know more people than ever before  
One lesson, I've learned from it all  
Fortune and fame are disguised as your friend  
'Cuz I'm lonelier now, than I've ever been

'Cuz this pain in my stomach, won't go away  
I assume, this is punishment  
For the mistakes, I've made

In a world, where my actions speak louder than words
