

Build a Bridge

Limp Bizkit

As H E

Build a bridge to your mind

Takes me there everytime

As H E

Lay it all on the line

If there's a way

Build a bridge, make a path

Overlook the aftermath

Make my tears be your bath

If there's a way

F# E

Only if you'll take a ride

F# E

Go with me to the other side

C# H F#

Even though it's gonna crumble down

C# H F#

I'll keep building till you come around

C# H F#

Even though it's gonna fall apart, break my heart

C# H F#

I'll keep building 'till I die

Build a bridge of memories

Stretch it out overseas

To the end of the world

If there's a way

Build a bridge made of pain

Send my longing down the drain

Have no reasons to complain

If there's a way

Only if you'll take a ride

Go with me to the other side

H A G# H A G# x2

Wait... wait for me....wait... please wait for me

Es C# As

Even though it's gonna crumble down

Es C# As

I'll keep building till you come around

Es C# As

Even though it's gonna fall apart, break my heart

Es C# As

I'll keep building 'till i die
