Limp Bizkit

Freakin' me out you wear a mask called counterfeit,  
You're freakin' me  
Out you

Wear a mask - (5x)  
Freakin' me out you wear a mask called counterfeit,  
You're freakin' me  
Out you

Wear a...fake  
Hey man wake up and smell the concrete  
Strange to see you've changed like the LB  
Could be identity crisis but I can't buy this  
Reality bites but that's what life is  
Pitiful you, your hideous behavior  
Hate what God gave ya, fakin all the flava  
Artificial minds seekin out the new trends  
Get in where you fit in  
Quit thinkin like a has-been diggin in my culture  
Let me let your punks know I'm an old school soldier  
With the funk flow  
A damn shame you wanna change yourself

Because you're sick of yourself  
Well I'm sick of you too, fake  
You're a, a counterfeit, fake  
You know we figured you out  
Well I'm sick of you too, fake  
You're a, a counterfeit, fake  
I wonder, I wonder  
I wonder what it's like to be a clone  
Doin' nothin, nothin' on my own  
Alone in your misery, you're bitin on my new style  
Filed as a counterfeit, going down in history as nothin but a copy cat (copy  
cat)  
So if your fakin that you're phat you need a ballbat  
Right where your head is at  
All your desperation causes separation  
Now I grab the mic to intimidate  
Your weakness screams from the limb on your siren  
Phonies get the hint quick smacked with funk flick  
Pain for the fakers fame can't maintain

All these phonies  
You disregarded your life (disregarded your life)  
You disrespected your friends (you disrespected your friends)  
You've even stolen your appearance (stolen) from hangin out with my  
Family  
But I should have never dropped my guard (shoulda never dropped my  
Gaurd)  
So you could stab me in the back (stab me in the back)  
But you were faking me out (you were faking me out)  
Just faking me out you wear a mask (you wear a mask)  
Freaking me out you wear a mask called counterfeit,  
You're freaking me out you  
Wear a mask called counterfeit - (2x)  
Freaking me out you wear a mask called counterfeit - (4x)

Now you're steadily startin to change  
You wanna rearrange your lifestyle with live like the wild child  
With the vibe alive you could lie to try and be so fly  
A lie but you deny you're a fake  
You know we figured you're a phony  
You know we figured you out  
You know we figured you out, figured you out, figured you out  
Fake  
You're probably freaking me out
