Thieves

Limp Bizkit

Go in the name of the lord!
Hey!
I can see you in the back.

Thieves, thieves and liars!
Murderers!
Hypocrites and bastards!
Time to get off your fucking feet!

Get up!
I can see you, check this shit out.

Hey, thanks for nothing!
Morals in the dust!
Two faced!
Bastards and sycophants!
No trust!

Get up, get up!
C'mon!

Thieves, thieves and liars!
Murderers!

Thieves, liars! [x4]

Which side are they, which side are they?
Which side of their mouth do you suppose they came?
Which side are they, which side are they?
Which side of the grass is greener?

Inside, outside, which side, we don't know!
My side, your side, their side, we don't know!

You're like a great big fucking gun,
Just waiting to get squeezed!

Break the fucking ass.

Breathe, forfeit erection,
Toxical injection.
Geriatric fuck-fest,
We still believe in love.

When I say get up, you get the fuck up [x2]
Are you ready right now?
Get up! get up! get up! get up!

Thieves, thieves and liars!
Murderers!

You're like a big shit of acid waiting to be taken!
