Ninety-six thousand!

Damn!

Ninety-six thousand!

Dollars? Holler!

Ninety-six thousand!

Yo, somebody won!

Ninety-six thousand!

Yo,  
If I won the lotto tomorrow  
Well, I know I wouldn't bother goin' on no spendin' spree  
I pick a business school and pay the entrance fee!  
Then maybe if you're lucky, you'll stay friends with me!

I'll be a businessman, richer than Nina's daddy!  
Donald Trump and I on the links, and he's my caddy!  
My money's makin' money, I'm goin' from po' to mo' dough!  
Keep the bling, I want the brass ring, like Frodo!

Oh no, here goes Mr. Braggadocio  
Next thing you know, you're lying like Pinocchio...

Yo, if you're scared of the bull, stay out the rodeo!

Yo, I got more hoes than a phone book in Tokyo!

Ooh, you better stop rappin', you not ready  
It's gonna get hot and heavy  
And you already sweaty...

Yo-yo-yo! Yo!

Yo! I'm sorry is that an answer?  
Shut up, go home and pull ya damn pants up!  
As for you, Mr. Frodo of the Shire...  
96 G's ain't enough to retire

C'mon, I'll have enough to knock your ass off its axis!

You'll have a knapsack full of jack after taxes!

Ninety-six thousand!

Ay, alabanza!

Ninety-six thousand!

No me diga!

Ninety-six thousand!

I never win shit!

Ninety-six thousand!

For real, though, imagine how it would feel goin' real slow  
Down the highway of life with no regrets  
And no breakin' your neck for respect or a paycheck  
For real, though, I'll take a break from the wheel and we'll throw  
The biggest block party, everybody here  
It's a weekend when we can breathe, take it easy

Yo! Ma, it's me, check my tickets!

Check one two three  
What would you do with ninety-six G's...

Who me?

I mean if it's just between you and me...

Esa pregunta es tricky!

I know

With ninety-six G's  
I'd start my life with a brand new lease  
Atlantic City with a Malibu Breeze

And a brand new weave!

Or maybe just bleach...

Y'all are freaks.

Yo, I'm just sayin'...

It's silly when we get into these crazy hypotheticals  
You really want some bread? Then go ahead create a set of goals  
And cross them off the list as you pursue 'em  
And with those ninety-six, I know precisely what I'm doin'

What'chu doin'?

What'm I doin? What'm I doin?  
It takes most of that cash just to save my ass from financial ruin  
Sonny can keep the coffee brewin'  
I'll spend a few on you  
'Cause the only room with a view is a room with you in it

And I could give Abuela Claudia the rest of it  
Just fly me down to Puerto Plata, I'll make the best of it!  
You really love this business?

No

Tough, Merry Christmas  
You're now the youngest tycoon in Washington Hiznits!

Yo!  
With ninety-six thousand, I'd finally fix housin'  
Give the barrio computers with wireless web browsin'  
Your kids are livin' without a good edjumentation  
Change the station, teach 'em about gentrification

The rent is escalatin'

What?!

The rich are penetratin'

What?!

We pay our corporations when we should be demonstratin'

What?!

What about immigration?

What?!

Politicians be hatin'

What?!

Racism in this nation's gone from latent to blatant

Ooooooh!

I'll cash my ticket and picket, invest in protest  
Never lose my focus 'til the city takes notice  
And you know this man! I'll never sleep  
Because the ghetto has a million promises for me to keep!

You are so cute!

I was just thinking off the top of my head.

Ninety-six K: Go.

If I win the lottery, you'll never see me again

Damn, we only jokin', stay broke then

I'll be downtown  
Get a nice studio, I'll get out of the barrio

If I win the lottery

You'll wonder where I've been

For real, though  
Imagine how it would feel goin' real slow,  
Down the highway of life with no regrets,  
And no breakin' your neck for respect or a paycheck...

I'll be downtown,  
See you around,  
If I win the lottery,  
You won't see a lot of me!  
I'll be downtown,  
See you around!

For real though,  
I'll take a break from the wheel

And we'll throw,  
The biggest block party

Everybody here,

A weekend

When we can breathe, take it easy,

For real though, imagine how it would feel

Goin' real slow,

Down the highway of life with no regrets

And no breakin' your neck for respect or a paycheck,

For real though,

I'll take a break from the wheel

And we'll throw the biggest block party

Everybody here,

A weekend when we can breathe, take it

Easy

Yo!

It's silly when we get into these crazy hypotheticals,

You really want some bread?

Then go ahead

Create a set of goals,

And cross 'em off the list as you pursue 'em,

And with those ninety-six

I know precisely what I'm doin'

Yo!

It's silly when we get into

Yo!

Ninety-six thousand

No me diga!

Ninety-six thousand

No me diga!

Ninety-six thousand

No me diga!

Why-oh!

Check one two three

And with the dollah dollah

With ninety-six G's

We get to hollah hollah

Between you and me

We rock the hot Impala

Why-oh!

With ninety-six G's

We movin' on tomorrah

A brand new lease

We rock beyond mañana

A Malibu Breeze...

We drop the mama drama

We stop at the Bahamas!

We drink piña coladas!

Poppin' lockin' up the block

Drop it like it's hot!

I'll be downtown!

We could pay off the debts we owe!

We could tell everyone we know!

I could get on a plane and go!

We be swimmin' in dough, yo!

No tip-toein'

We'll get the dough 'n'

Once we get goin'

We're never gonna

Stop tip-toein'

We'll get the dough an'

Once we get goin'

We're never gonna...

Ninety-six thousand

We'll get the dough 'n'

Ninety-six thousand

Once we get goin'

Ninety-six thousand

We'll get the dough 'n'  
Once we get goin'  
We're never gonna stop!
