

Blackout

Lin-Manuel Miranda

¿Oye, qué pasó?

Blackout, blackout!

Vino el apagón

¡Ay dios!

¿Oye, qué pasó?

Vino el apagón

¡Ay dios!

Yo! I!

Can't see!

Quit shovin' you son-of-a

It's an oven

And we gotta back out

This is a blackout!

Chill, for real or we're gonna get killed!

Calling all taxis!

Everyone relax please

Calling all taxis!

Everyone relax please

Somebody better open these goddamn doors!

Somebody better open these goddamn doors!

Somebody better open these goddamn doors!

And I can't find Usnavi...

Oh, no!

Blackout, blackout!

Hold up, wait! Hold up, wait!

Nina, where'd you go

I can't find you...

Nina

Take it slow

I'm behind you...

What's going on?

What's going on?

Suddenly I find

The electricity is gone

What's going on?

What's going on?

I gotta guard the store make sure that nothing's going wrong!

What's going on?

What's going on?

I gotta find Usnavi tell him what is going on

Nothing is on!

Nothing is on!

And I can't find Usnavi...

Nina where'd you go

Nina where'd you go

Nina where'd you go

I can't find you!

Nina where'd you go

Nina where'd you go

Nina where'd you go

I can't find you!

Vanessa...

I gotta go...

Has anyone seen Benny?

Benny...

Usnavi

Help me!

Please find Nina!

Find Camila!

If you see my family

Bring them

Home!

We are powerless

We are powerless

Find my way home!

Usnavi

Help me

You left me alone!

We are powerless

We are powerless!

Yo! Yo! They throwin' bottles in the street!

People lootin' and shootin'

Sonny, they wanna see a robbery

We gotta keep movin'!

Naw, man, I can't leave

We gotta guard the store!

They gonna bombard the store

Until you ain't got a store no more!

I got a baseball bat on a rack in the back

I got a couple of Roman candles
We can distract the vandals!

Hey yo I see some thugs comin'
Man, we gonna get jacked up!

Gimme a light, I'll be right back. Back up...

Back up! Back up!

Look at the fireworks...

Light up the night sky...

Look at the fireworks...

Light up the night sky!

Look at the fireworks...

Look at the fireworks fly!

Light up the night sky!

Look at the fireworks fly!

Light up the night sky...

It's late and this grate won't come down
Come down!

It's late and this grate won't come down!

We are powerless!...

Oh god so much panic! The crowd was manic

With everybody screaming and shoving and shouting and slapping
And everyone's frantic!
What's happening with you?

We are powerless!...

Mira, mi amor

Házme un favor!

Despiérta la abuela y a lo mejor ella tiene una vela!

Estuve bailando cuando vino el apagón
Aqui hay gente pero no sé quienes son!

Look at the fireworks...

Abuela are you alright?

Light up the night sky...

The stars are out tonight!

Look at the fireworks...
You're not alone tonight...
Light up the night sky...
You're not alone tonight...
I'm not alone tonight...
Usnavi, please promise me
You'll guard this with your life
Abuela, I've never seen...
This much money in my life!
Nina there you are!
I've gotta go!
I'll get you out of here tonight!
I don't need anything tonight!
I can find my way home
Find your way home!
Without you...
Without you!
Look at the fireworks...
Look at the fireworks...
Light up the night sky...
Look at the fireworks...
Look at the fireworks...
Light up the night sky...
En Washington...
Look at the fireworks...
Look at the fireworks...
Light up the night sky...
Light up the night sky...
En Washington Heights!
