

# Can You Imagine That?

Lin-Manuel Miranda

John, you're right  
It's good to know you're bright  
For intellect can wash away confusion  
Georgie sees  
And Annabel agrees  
Most folderol's an optical illusion  
You three know it's true  
That one plus one is two  
Yes, logic is the rock of our foundation  
I suspect, and I'm never incorrect  
That you're far too old to give into imagination

No, not yet!

Some people like to splash and play  
Can you imagine that?  
And take a seaside holiday  
Can you imagine that?  
Too much glee leaves rings around the brain  
Take that joy and send it down the drain

Some people like to laugh at life  
And giggle through the day  
They think the world's a brand new shiny toy  
And if while dreaming in the clouds  
They fall and go kersplat  
Although they're down and bent in half  
They brush right off and start to laugh  
Can you imagine that?

On second thoughts, perhaps you're right. It makes no sense to take a bath t  
his early

Wait. I want to take a bath!

Oh, really? Up you go and in you go!

Georgie!

What happened? Will they be alright?!

Well, it is just a bath, after all. But then again, it's not my tub

Shouldn't you go in after them?

Oh, no. I had my bath this morning, thank you

Well if you won't, I will! Woah!

Off we go!

Some people like to dive right in  
Can you imagine that?  
And flap about in bathtub gin  
Can you imagine that?  
Doggies paddling twenty leagues below  
Might seem real but we know

It's not so  
To cook without a recipe  
Can you imagine that?  
And heaven knows what lives within that pot  
Some pirates follow treasure maps  
And wear a silly hat  
They search the world for buried gold  
They won't grow up and don't grow old  
Can you imagine that?

Be sure to scrub behind your ears!

Some answer when adventure calls

Can you imagine that?

And sail straight over waterfalls

Can you imagine that?

They see living as it's own reward

Ahoy!

They rock the boat, then

Man overboard!

Some people look out on the sea  
And see a brand new day  
Their spirit lifts them high above the blue  
Yet some others wear an anchor  
And they sink in seconds flat  
So, perhaps we've learned when day is done  
Some stuff and nonsense could be fun

Can you im-a-gine that?
