

# One Of A Kind

Lin-Manuel Miranda

Ayy, ladies and gentlemen, the show is right this way  
Right this way  
Ayy, we have prepared for you a dazzling display  
Right this way  
So gather 'round, my friends, and here we go  
Presenting the one and only Vivo!

Is this thing on?  
Gather 'round, gather 'round, let's go!  
Okay, attendance is low, but this is just a hiccup  
Once we begin our show, business is gonna pick up  
We're two blocks from la casa, it's not a new scene  
This is our spot in the plaza, check out the routine  
Ladies and gentlemen, I am Vivo the kinkajou  
Oh, what's a kinkajou? Oh baby, I think you're ready  
To learn a thing or two  
Watch me swing as I sing at you  
Every single thing I can think of  
To make you scream, "woo!"

Ayy  
Lo le lo lai  
Lo le lo lai, lo le lo lei  
Lai le lo lei

- That's Andrés, he sings

Ayy  
Lo le lo lai  
Lo le lo lai, lo le lo lei  
Lai le lo lei

You and I, we are one of a kind

Keeping time, every time!

Oye!  
We are a part of a time-honored tradition  
Of timing and precision  
Your finest two musicians are top-notch  
As we hopscotch the competition  
The clock is tocking and ticking  
I'm rocking this clave rhythm  
Now watch  
As people drop their dollars and pesos  
We do this all day  
Every day, so dame un beso  
Give me a kiss, mwah!  
Be right back, now watch this

Ayy  
Lo le lo lai  
Lo le lo lai, lo le lo lei  
Lai le lo lei  
You and I, we are one of a kind  
Keeping time, every time

Okay, you may be thinking  
"What's a kinkajou doing playing music in Cuba?"  
"Don't you, like, usually live in the rain forest?"  
Maybe I fell in a shipping crate as a baby  
Next thing I knew, I was somewhere new  
I, I wasn't singing the same chorus  
All I remember was being hungry  
And running from somebody even hungrier  
Chasing me up this very tree  
But guess who came to the rescue with his tres?  
Andrés, yes!  
And he blessed me with his melody

Where did you come from, chiquito?  
Ah! You really love music, don't you?  
Come down from the tree  
You can stay with me  
Mmm, but what will your name be?

You're so full of music and life  
And I have the perfect name for you!  
Vivo!

And if y'all like that  
Won't you pass the hat?  
Right along like that  
Won't you pass the hat?  
Yeah, if y'all like that  
Won't you pass the hat?  
It's Vivo, I'm faster than your average cat!

And if y'all like that  
Won't you pass the hat?  
Right along like that  
Won't you pass the hat?  
Yeah, if y'all like that  
Won't you pass the hat?

Yeah, I've adapted to my habitat

You and I, we are one of a kind

Keeping time

Keeping time

Right on time

Right on time!

Ayy

Lo le lo lai  
Lo le lo lai, lo le lo lei  
Lai le lo lei

We all like that  
So we pass the hat  
Right along like that  
So we pass the hat  
Woo!

You and I, we are one of a kind

They are one of a kind!

Keeping time

Keeping time

Every time

Every time

Right on time

Right on time

Lai lo lei lo lai

Lo lei lo le lo le lai

Lo lai

Right on time!
