

Piragua

Lin-Manuel Miranda

Oh, qué calor, qué calor, qué calor, qué calo-o-or!

Whoa

Piragua, piragua

New block of ice, piragua

Piragua, piragua

So sweet and nice, piragua

Tengo de mango

Tengo de parcha

De piña y de fresa!

Tengo de china, de limón

De peso y de peseta, hey!

Piragua, piragua

New block of ice, piragua

Piragua, piragua

So sweet and nice, piragua

It's hotter than the islands are today

And Mister Softee's tryin' to shut me down

But I keep scraping by 'til I can say

"Hey pana, I run this town"

Piragua, piragua

Keep scraping by, piragua

Piragua, piragua

Keep scraping by, piragua

Keep scraping by, keep scraping by

Lai lo le lo lai! Lai lo le lo lai!

Keep scraping by, keep scraping by

Lo le lo lai!

Keep scraping by!

Oh, qué calor, qué calor, qué calor, qué calor, qué calor!
