

Sick Of Runnin'

Lin-Manuel Miranda

I'm sick of runnin'
Feel like I'm breakin' down
I'm sick of runnin'
Make one mistake and drown
The beat keeps drummin'
And they just keep on comin'
Whoa

Yeah, I'm sick of runnin'
Our team is wasting downs
And we keep runnin'
When we can take these clowns
We see 'em comin'
But they ain't never gonna see us comin'
Whoa

Can we change this track?
Get off the road and then chase them back
Set to explode when we take this back
Takin' this whole night back

When I take this bat
Make you a popsicle, pop, pop, pop
Off to the hospital, yeah, take that
I'm takin' this whole night back

Whoa
We ain't come this far
Whoa
Just to run and hide
Whoa
We ain't scared to fight
Whoa
You can find me outside, hey!

I'm sick of runnin'
I'm sick of runnin'
All through the endless night, I'm sick of runnin'
So sick of runnin'
When we can win this fight, the music's hummin'
The drummer's drummin'
They ain't ever gonna see us comin'
Whoa

Whoa, I'm sick of singin'
I'm sick of singin'
The same ol' fuckin' song, I'm sick of runnin'
I'm sick of runnin'
When I've done nothin' wrong, they think they're tougher
They think they're tougher
Let's make 'em suffer, motherfuckers
Whoa
Whoa

Change this track
Look out, woo!
Chase them back

I hate clowns
Take this back
Takin' this whole night back

Take this bat
Clowns aren't funny!
Pop, pop, pop!
Off to the hospital
Yeah, take that
I'm takin' this whole night back

I'll fight my way to wherever you're goin'
I can be brave in the moment
I mix it up on the corner wherever
Can I hold my head high-igh-igh-igh?

I'll fight my way through a night full of strangers
We ain't come this far
No, I'm not scared of what's dangerous
Just to run and hide
I'll ride or die till the day comes
We ain't scared to fight
I won't be done in

I'm sick of runnin'
We'll survive the night
I'll fight my way through a night full of strangers
Whoa
No, I'm not scared of what's dangerous
Whoa
I'll ride or die till the day comes
Whoa
I won't be done in
I won't be done in
I'm sick of runnin'
