

The Park At Night

Lin-Manuel Miranda

Folks go missin' in the park at night
Folks go missin' in the park at night, park at night, park at night

Yoo-hoo! Ladies!
You look lost and exhausted!
Yoo-hoo! Ladies!
C'mere, lemme show you something

Fuck off, old man
Let's go
Still starvin'
Ajax, fuckin' outstanding!
Let's get to Union Square
No, I'm sick of runnin'
From him?
Some playground perv?
We won!
We gotta move
Or else we're done!
Let's get back home
Back to Coney
What's left to prove?

Go ahead
Yoo-hoo!
I'll catch up if I can
Ladies
I'ma talk to this man
You'd look prettier if you'd smile!
I'ma smile while I talk to this man
Where you going?
Go ahead, I'ma be alright
Survive the night

The fuck is she doing?
What she does best
Starting a fight

You feelin' alright, man?
Whoa
You need a little help or somethin'?
Sit down, keep me company
Whatever you say, man
Ain't you got a boyfriend?
No, see, I'm a problem child
Hyperactive, always runnin' wild
I play too rough sometimes
You wanna show me how you play?
Okay
Hey! Let go of me!

Ha, but you wanted to play, right?
Old-ass predator looking for prey, right?
Bitch! You allergic to daylight?
Talkin' that shit but got nothin' to say, right?
Stay right there, smile, motherfucker!
You done catcalled your last chile, motherfucker!

This is judge, jury, and trial, motherfucker!
So cry, motherfucker, say goodbye, mother, fuck?

You're under arrest
You're a cop?
Your nights in the park are over
Hey, get these off me!
Your little friends, too
Warriors, run!

C'mon, c'mon, c'mon, c'mon
Yoo-hoo!
Everyone, go ahead!
No!
Code one-twenty-nine
We'll regroup in Union Square! Oh
I'm in Riverside Park, got a perp on the line
Swan, stick with me!
On the yellow line southbound platform, we'll meet you there!
This one's mine
C'mon, c'mon, c'mon, c'mon, c'mon

I'm sick of singin'
The same old fuckin' song
I'm sick of runnin'
When I've done nothing wrong
I'll keep on swingin'
I'll keep on fightin'
Ain't it excitin'?
Whoa

I'm a warrior!
