

Warriors' Cypher

Lin-Manuel Miranda

Ah-she-ca, ah-ah-she-ca!
Ah-she-ca, ah-ah-she-ca!
Ah-she-ca, ah-ah-she-ca!
Warriors, warriors, show 'em what you got!

I'm Cochise, oh please, you know my style
I'm always ready with the verses and I'm versatile!

Turnstile, here's a token, gotta get inside!
They call me cowgirl 'cause I like to ride!

A-yo, I'll take you on an odyssey like Magnavox!
'Cause I'm the youngest and the prettiest, they call me Fox! (O
kay)

Suckas kick rocks 'cause we're number one!
Cleon, shot the moon, cold-cocked the sun!

Ajax, and I'm sick of runnin' off at the mouth
I got two F's for y'all, fuck around, find out

Rembrandt, and I'm not afraid of elbow grease
Taggin' every city surface with my masterpiece!

There's peace so far, so far uptown
But Swan's in your corner if that shit goes down, let's go

Ah-she-ca, ah-ah-she-ca!
Ah-she-ca, ah-ah-she-ca!
Ah-she-ca, ah-ah-she-ca!
Warriors, warriors, show 'em what you got!
