

# We Got You

Lin-Manuel Miranda

How are you  
You sing?  
So beautiful tonight?  
Don't trust you  
Take your time  
Okay  
If you want to  
We got you, we got you

Here for you  
I like them  
If you need a place to hide  
Can I have one as a snack?  
Take my hand  
Stay back  
If you want to  
We got you, we got you

When it feels like the world has gone insane  
When you need a place to huddle from the rain  
Can't imagine how it feels  
When you're out here on your own  
Separated from your friends and alone  
Well, it hits us in the feels  
Now we got a place next door  
Oh baby, baby  
That might be what you're looking for  
Shelter!  
Put your trust in the guys next door  
Oh baby, baby  
To feed and keep you safe, who hurt you?

And it's easy to be hard  
It's hard to take it easy when the world comes apart  
Who hurt you?  
I will shield you from all harm  
'Cause you been through hell  
And your shelter is here in my arms, oh

How are you  
So beautiful tonight?  
Beautiful tonight  
Take your time  
If you want to  
We'll be here all night, we gon' be alright, whoa  
We got you

Here for you  
You can get close, girl  
If you need a place to hide  
We'll make French toast, girl  
Take my hand  
If you want to  
If you want to  
Do you want to?  
We got you  
'Cause we want to

Listen, we can see you're tough girls  
You can take anything, you've proved that tonight  
But everybody needs a soft place to land  
Only if you want to  
If you want to, if you want to

Girl, you know I got you
