

# Move

Lincoln Brewster

Miracles happen when You move  
Miracles happen

I knew the second I met You  
I could never forget You  
And what You did for me, mm  
You pulled me out of my haze  
And took me into a place  
So good it's hard to believe

And it just gets better  
Nothing else matters  
You're so much more than enough  
Now my heart's wide open  
Fear's been broken  
It's all because of Your love (Your love)

You make me wanna move, like no one's watching  
I know You'll get me through, gonna keep on walking  
You always make a way when the storm is raging  
No matter what I'm facing, I count on You  
Miracles happen when You move, yeah yeah  
Miracles happen when You move, move  
Miracles happen when You

I got a beat in my chest  
I got a spring in my step  
I got a reason to run  
You show me who I can be  
And still it's hard to believe  
I'm so much more than I was

And it just gets better  
Nothing else matters  
It's all because of Your love (Your love)

You make me wanna move, like no one's watching  
I know You'll get me through, gonna keep on walking  
You always make a way when the storm is raging  
No matter what I'm facing, I count on You  
Miracles happen when You move

You give me hope I can't believe, yeah, mm  
The best is yet to come for me, oh yeah, mm  
You give me hope I can't believe  
The best is yet to come for me, oh-oh

You make me wanna move, like no one's watching  
I know You'll get me through, gonna keep on walking  
You always make a way when the storm is raging  
No matter what I'm facing, I count on You  
Miracles happen when You move, yeah yeah

Miracles happen when You move  
Miracles happen when You move  
Miracles happen when You move
