

# No One Like Our God

Lincoln Brewster

What is this love that won't relent  
That's calling out with heaven's breath  
Who is reaching wide to save our souls?  
Only You  
What is this grace that makes no sense  
That we could never recompense  
Who gives us all a second chance?  
Only You, only You, only You

There is no one like our God  
There is no one like our God  
There is no other God who can save  
There is no one like our God

Who hung the stars upon the night  
And showed the sun how bright to shine  
Who shaped the world within His hands?  
Only You  
Who set the sky upon the hills  
And told the waters to be still  
Who spoke to form the universe  
Only You, only You, only You

There is no one like our God  
There is no one like our God  
There is no other God who can save  
There is no one like our God, no  
There is no one like our God  
There is no other God who can save  
There is no one like our God

No height or depth can stand between us  
No power on earth or all creation  
No life or death can separate us from Your love  
No height or depth can stand between us  
No power on earth or all creation  
No life or death can separate us from Your love

There is no one like our God  
There is no one like our God  
There is no other God who can save  
There is no one like our God, no  
There is no one like our God  
There is no other God who can save  
There is no one like our God, no-o-o  
There is no one like our God  
There is no other God who can save  
There is no one like our God
