

# The Love Of God

Lincoln Brewster

Emmanuel  
You're with me surely  
Closer than I can say  
And I know You well  
I'm hidden shadowed  
Under Your wings always

And oh where else can I turn  
But to the Love of God

In brokenness  
I know you hold me  
Safe in redemption's arms  
And I confess You alone restore me  
Leading me to Your heart
