

Surrender

Linda Davis

I have no fear
I have no inhibitions
I trust my heart
I trust my intuition

Tonight I'm diving in the waters
I won't even fight the tide
Drowning in a sea of passion
No resistance - I surrender

You make me free
No chains no limitations
You kiss my skin
Unleashing sweet sensations
All I feel and all I know
Is I just love this letting go

Tonight I'm diving in the waters
I won't even fight the tide
Drowning in a sea of passion
No resistance - I surrender
