

We're All Alone

Linda Eder

Outside the rain begins and it may never end
So cry no more on the shore
A dream will take us out to sea
Forever more, forever more
Close your eyes and dream and you can be with me
'Neath the waves through the caves of hours
Long forgotten now
We're all alone, we're all alone
Close the window, calm the light
And it will be all right, no need to bother now
Let it out, let it all begin
Learn how to pretend
Once a story's told it can't help but grow old
Roses do, lovers too
So cast your seasons to the wind
And hold me dear, oh, hold me dear
Close the window, calm the light
And it will be all right, no need to bother now
Let it out, let it all begin, all's forgotten now
We're all alone, we're all alone
Close the window, calm the light
And it will be all right, no need to bother now
Let it out, let it all begin, all's forgotten now
But love, we're all alone, we're all alone
