## **Winter Light**

## **Linda Ronstadt**

Hearts call
Hearts fall
Swallowed in the rain

Who knows Life grows Hollow and so vain

Wandering in the winter light The wicked and the sane Bear witness to salvation And life starts over again

Now the clear sky is all around you Aah aah
Love's shadow will surround you
All through the night

Star glowing in the twilight
Tell me true
Hope whispers and I will follow
Till you love me too

Ah ah ah

Now the clear sky is all around you Aah aah
Love's shadow will surround you
All through the night

Star glowing in the twilight
Tell me true
Hope whispers and I will follow
Till you love me too

Ah ah ah
