

## No Time To Lose

Lindisfarne

I want to go traveling in your car  
Leave all the city behind  
Up on the motorway, Scotland's not far  
See what we can find  
No time, no time to lose  
No time, no time to lose  
Had more than my share of people giving advice  
On the way that my life, it should be  
But look at the country man it's looking so nice  
Feeling so good to be free  
No time, no time to lose  
No time, no time to lose  
No time, no time to lose  
No time, no time to lose  
Man, how I love all those wild rolling hills  
I feel them inside in my bones  
The colors all changing, I swear it's amazing  
I feel like I'm flying back home  
No time, no time to lose  
No time, no time to lose  
No time, no time to lose  
No time, no time to lose
