

## Train In G Major

Lindisfarne

I know you're travelling  
But I don't know where  
I'd leave here with you  
But I just can't pay my fare  
Take me to some better place to be  
Oh, now tell me baby don't you want a man like me?

I came in the summer  
With the bright lights on my mind  
I tried to make it  
But I soon got left behind  
If you deal me one good hand to play  
Then I swear I'll keep your secret if your man comes back some  
day

Hey now, baby  
Won't you take me on your train?  
We leave tomorrow  
And we won't come back again  
If the sun don't shine on our back door  
Then you can leave me if you want to if you just let me know wh  
at for
