

Dreams Like This

Lindsay Pagano

dreams like this make me feel so fine
im wishin on a star yeah a star thats what u are

i wanna tell u something
don't know what u might think but
i sure miss sleeping
and im not gonna get a wink until i say it ill lie awake wishin
g u were in my arms

dreams like this make me feel so fine im rolling down the road
down the road that u rock me baby
it must be love or something
deep and diving
im wishing
on a star yeah a star
thats what u are

i miss u baby u no
and of all the things where we should be when the stars align a
nd cupid shoots his arrow so
here ill be waiting until u are mine

dreams like this baby stop the time
im glowing like the moon
like the moon thru ur window
cuz it must be love or something deepa nd divine
im tryin to keep it all together yeah

but everywhere i go everything i do ill take u with me baby ur
mind all the time all the time

dreams like this make me feel so fine
im rolling down the road
down the road that u rock me on baby
it must be love or something deep adn divine im wishin on a sta
r that whats u r

dreams like this baby stop the time
im glowing like the moon
like the moon thru ur window
cuz it must be love or something deep and divine im tryin to ke
ep it all together yeah
