

Feel About You

Lindsey Buckingham

You're so far away,
I wonder if you hear what I say
This love for you I can't conceal

That's how I feel,
You are the sky at night,
Black and white
Green and blue
That's how I feel
You're so beautiful, beautiful
That's how I feel about you
That's how I feel about you

You're honey in my tea,
Your jam, it tastes the sweetest to me
This love for you I can't conceal

That's how I feel,
You are the sky at night,
Black and white
Green and blue
That's how I feel
You're so beautiful, beautiful
That's how I feel about you
That's how I feel about you

You're so far away,
I know that you'll be back any day
I am a magnet, you are steel

That's how I feel,
You are the sky at night,
Black and white
Green and blue
That's how I feel
You're so beautiful, beautiful
That's how I feel about you
That's how I feel about you
That's how I feel about you
That's how I feel about you
